Re: Dugway Road, partial abandonment of public right-of-way

Dugway Road from Latitude: 42.716813, Longitude: -77.651367 (adjacent Partridge Rd) and Latitude: 42.718863 and Longitude: -77.661967 (adjacent North Railroad and Railroad Ave) has not been used or maintained in any manner for over twenty years.

§ 205-1. New York State Highway Law states that highways that have not been opened, used or maintained for six years shall be deemed abandoned as a right of way.

§ 205-1 further states that the highway superintendent, with the written consent of a majority of the town shall file and cause to be recorded in the town clerk's office a written description written by him, and by said town board of each highway and public right-of-way so abandoned, and the same shall be thereupon discontinued.

Therefore as the Conesus highway superintendent, with the written consent of the Conesus Town Board, I deem the section of Dugway Road from Latitude: 42.716813, Longitude: -77.651367 (adjacent Partridge Rd) and Latitude: 42.718863 and Longitude: -77.661967 (adjacent North Railroad and Railroad Ave) abandoned.
