Re: Jones Hill Road § 205-1 public right-of-way, partial abandonment.

Jones Hill Road from: Latitude: 42.687183, Longitude: -77.691368, (adjacent house/lot number 6093) and Latitude 42.687357, Longitude: -77.698810 (at East Swamp Road) has not been used or maintained in any manner for over twenty years.

§ 205-1. New York State Highway Law states that highways that have not been opened, used or maintained for six years shall be deemed abandoned as a right of way.

§ 205-1 further states that the highway superintendent, with the written consent of a majority of the town shall file and cause to be recorded in the town clerk's office a written description written by him, and by said town board of each highway and public right-of-way so abandoned, and the same shall be thereupon discontinued.

Therefore as the Conesus highway superintendent, with the written consent of the Conesus Town Board, I deem the section of Jones Hill Road from Latitude: 42.687183, Longitude: -77.691368, (adjacent house/lot number 6093) and Latitude 42.687357, Longitude: -77.698810 (at East Swamp Road) abandoned.
